

FOUR HANOVER TEEN-AGERS HURT IN CRASH

Four Hanover teen-agers were injured, not seriously, when their car went out of control, ran off the left side of the Hanover highway a mile east of here and onto the lawn of the Marvin Dove residence where it hit shrubbery, fence posts and several large rocks Tuesday evening at 8:15 o'clock.

State police who investigated said the car was operated by Mark Sneeringer, 18, 316 N. Franklin St., Hanover. He will be charged before Justice of the Peace Harry E. Baker of Straban Twp. with reckless driving.

Sneeringer and three passengers in the car were rushed to the Warner Hospital in the fire company ambulance where they were treated for cuts and bruises and released.

\$400 Damage Done

Sneeringer has bruises of the head and shoulders; Richard Wagner, 18, 117 High St., Hanover, abrasions of the left hip and knee; Theodore Kreitz, 16, 427 1/2 Carlisle St., Hanover, abrasions of the left hand and scalp, and Donald Sipling, 18, 5 E. Walnut St., Hanover, lacerations of the left arm and right ear.

The Sneeringer car was traveling toward Gettysburg when it apparently went out of control, swerved on the highway going partly off the right side of the road and then ran across the highway and into the Dove lawn and into a tree.

Damage to the car was placed at \$350 while damage to the lawn, shrubbery and fence posts was placed at \$50.

Ike Considers Neil McElroy For Secretary Of Defense

WASHINGTON (AP) — President Eisenhower said today he still opposes the Senate version of the civil rights bill but it remains to be seen whether further congressional action will meet his objections.

Eisenhower also told a news conference he is very earnestly considering Ohio manufacturer Neil H. McElroy to succeed Charles E. Wilson as secretary of defense.

The President indicated McElroy will be named to the post as soon as current investigations have been completed.

Not In Disagreement

As for Wilson, Eisenhower said the defense secretary has not—contrary to published accounts of his recent testimony before a congressional committee—opposed a budget reform plan favored by the President.

Eisenhower said Wilson merely

Exchange Votes \$100 To Rec Fund

The Gettysburg Exchange Club Tuesday night voted a \$100 donation to the Gettysburg Recreation Association in response to the association's appeal for equipment funds. The appeal, approved by the Community Chest, is being made to local organizations in an effort to raise \$800 to cover the association's expanded programs.

The Exchange Club held its weekly dinner meeting at Sanders' restaurant, near Hunterstown, with President Carl E. Prosser presiding. Next week the club will hold its annual "Whip" party at 6:30 o'clock at the CCC Camp. "Whip" Dave Ritters will be in charge.

FAIR WILL HAVE FRUIT JUDGING CONTEST, FIRST IN ITS HISTORY

In keeping with the fact that Adams County is one of the nation's top producers of fruit the Vocational-Agriculture exhibitions this year at the South Mountain Fair, September 3-7, will have a fruit judging contest—the first in the fair's history. The C. H. Musselman Co. will sponsor the contest in cooperation with the Fair Association for the FFA members. John White is chairman of the new contest and Stephen Heyser, co-chairman.

Another highlight of the Vo-Ag exhibits is certain to be the Land Judging contest of which Linn H. Shatzer is chairman and Charles Chronister co-chairman. Sponsored by the Adams Agstone Company, of Hanover, and the Fry Coal and Stone Company of Meersburg, a loving cup and an expense paid trip to the state FFA convention will be provided by these organizations to the winner from both Adams and Franklin County.

Changes In Prizes

Sweeping changes have been made in the Vo-Ag prize lists. First and second place winners will receive gold medals; third and fourth place winners, silver medals; fifth and sixth places, bronze medals. Also to be awarded are: first through tenth places, ribbons; and eleventh through fifteenth, honorable mention ribbons in the dairy, swine, poultry fruit and land judging contests.

As in the past Vo-Ag and Home Ec departments of Adams and Franklin Counties are entitled to place an educational exhibit in the

WILL USE LAND FOR SCHOOL SITE

The 16-acre tract just acquired along Berlin Rd. by the school districts of the Lower Adams jointure makes up part of the proposed site of a new high school for new Oxford, school officials there said today.

Additional land purchases are expected to provide a total of about 40 acres for the new school, an athletic field and a large parking area, Charles C. Taylor, supervising principal, said.

The three-year-old grade school building at New Oxford is already overcrowded and when the new high school is completed, the present high school building will be converted for use by elementary pupils.

The site and a preliminary room schedule for the new school have state approval and the county board of school directors also have approved the school site. If plans advance according to schedule, construction of the new high school may start next June or July.

The land was bought from Rush and Carolin Sieg, Hamilton Twp.

Report Student Riots Against Communists In China In June

HONG KONG (AP)—More than 1,000 high school students rioted in Hongyang in central China for two days in June against the ruling Communist party, the Red New China News Agency reported today.

In a story from Peiping, the agency said students beat up Communists, kidnapped officials, tore up party offices and attempted to seize an ammunition depot.

They plastered the "Communist party is on the decline," "Remove damned tools from the education department," "Welcome speedy return of Kuomintang." The Kuomintang is the party of Chiang Kai-shek, who now rules in Formosa.

They also made slurring references to Mao Tse-tung, Communist party chairman.

The rioting was the most serious reported from the mainland since Mao launched his campaign encouraging criticism of the party as a means of correcting its errors.

The agency said ringleaders of the demonstrations were all arrested.

EPLEY NAMED MERCEDES-BENZ DEALER HERE

The Studebaker-Packard Corporation today announced the opening of Mercedes-Benz dealerships in 200 major market areas in the United States.

The dealer in this area is C. W. Epley, 102 Chambersburg St., who is now displaying the new cars.

This, the company said, marks the full-scale launching of an extensive marketing program of the high-prestige imported automobiles. All of these Mercedes-Benz dealerships are handling, and will continue to sell and service, Studebaker-Packard cars.

Studebaker-Packard for several weeks has been training technicians of these new Mercedes-Benz dealerships in the art of servicing and maintaining the imported cars.

A central parts depot has been established at Roselle, N.J., by Studebaker-Packard as a distribution center for Mercedes-Benz parts and accessories.

Studebaker-Packard, some time ago sent 17 technicians to Germany to undergo several weeks training at the Daimler-Benz, A.G., factory, located in Stuttgart.

These men have been training dealership technicians at four permanent service schools in New York, South Bend, Chicago and Los Angeles. In addition, two mobile service schools are operating in the south, one from Dallas and the other from Atlanta.

REUNION ON SUNDAY

The 19th annual Stoner and Small family reunion will be held Sunday at the South Mountain Fairgrounds, near Arendtsville.

Yovicsin Calls His Wife From Allentown, Pa. This Morning

"I was never missing. The whole situation is merely a misunderstanding with my wife. I planned to play a little golf, which I did. I played golf two days. My wife thought I had planned to play later," John Yovicsin, Harvard football coach, told The Gettysburg Times this afternoon, a half hour after he returned from Allentown. He arrived at his residence on the Old Mill Rd. about 12:30 o'clock.

John Yovicsin, 38, new Harvard football coach who had been reported missing since Sunday afternoon when he left his home here, telephoned his wife from Allentown at 8 o'clock this morning and was expected home this afternoon.

Mrs. Yovicsin said her husband is "all right. It's certainly a relief," she added. She said he had spent the last few days in the Pocono area.

The former Gettysburg football coach's wife said her husband told her on the telephone this morning that he "couldn't believe I was alarmed." He told her he was "deeply shocked" when he saw in the papers that he had been reported missing and called her immediately.

She said she remembered then that he was going to look up some friends in Stroudsburg and she had forgotten about it.

Moving In 2 Weeks

"With the children and the moving — we're leaving Gettysburg in two weeks for a place in Boston — things have been so upset that I haven't remembered anything," Mrs. Yovicsin told a reporter. The Yovicsins have four children.

Mrs. Yovicsin said her husband saw a few people on the stopover in the Pocono area and it never occurred to him that anyone would be alarmed.

The search for Yovicsin, which spread over a five-state area since Mrs. Yovicsin called police when she learned her husband had not reached Harvard Sunday night, turned to the Pocono area Tuesday afternoon after it was learned he made a stopover there Sunday evening to visit Martin Baldwin, an equipment firm salesman and operator

"SEARCHING FOR LOVE"

I reach out for a love to hold... one kiss to touch my heart... perhaps I'm reaching for the moon... that seems so far apart... I search for understanding words... to help me on the way... but wishful thoughts compose the flowers... of my heart's bouquet... I often yearn for truthful arms... that tenderly enfold... in dreams I paint a narrative... that still has not been told... and yet I go on searching... with hope in things to be... and in each silent prayer I ask... that fate be kind to me... for man needs love to cling to... without it life holds fear... they say that seekers always find... perhaps my goal is near.

OLIVER HARDY, COMEDIAN, DIES AFTER STROKE

NORTH HOLLYWOOD, Calif. (AP)—Oliver Hardy, the rotund half of the movie comedy team of Laurel and Hardy, died today.

Death came at the home of Mrs. Mommie L. Jones, his mother-in-law. He had suffered paralytic stroke Sept. 12 and had been incapacitated since.

He hadn't even been able to speak since he was stricken.

Top Comedy Team

Laurel and Hardy were the movies' top comedy team for years after the advent of sound. Their films are still tremendously popular on television.

Hardy had lived at his mother-in-law's home since his stroke. He had been sinking steadily in recent months and his once plump body was wasted to a shadow.

His wife, Lucille, was at his side at the end.

Stan Laurel, 67, lives with his wife at nearby Malibu.

Slapstick Comedy

The specialty of the two was slapstick comedy and they mastered it as few ever have. Hardy was once described as an elephant on tip-toe.

He was the personification of exasperation, his wee moustache quivering as he battled his lugubrious little partner, Laurel, about.

He was a forlorn gallant, in a too-small derby, always eager to stumble over his mincing feet in going to the aid of a fair lady.

200 Films In 20 Years

These basic characteristics and antics made Laurel and Hardy one of the greatest laugh-producing teams the movies have ever known.

For 20 years, blimp-sized, moon-faced Hardy and skinny, lantern-faced Laurel clowning their way through more than 200 slapstick comedies.

Their pictures were as popular abroad as they were in the United States. And today, films they made nearly 25 years ago are still being shown on screens around the world and are regular fare on television.

"Fugitive" Lawyer

Hardy got into the theatrical world as a fugitive from the study of law. He was born Jan. 18, 1892, in Atlanta, Ga. His attorney, father sent him to the University of Georgia to prepare for a law career. But young Hardy devoted most of his time to the glee club. In his sophomore year he took off with a minstrel show.

For a few years he toured the South as a singer and actor and then gravitated into the fledgling moving pictures with the old Lubin Films in Jacksonville, Fla., in 1913.

He went with Pathe at Ithaca, N. Y., in 1915 and was cofeatured with Burt McIntosh, Max Figham and Lolita Robinson in the then famed Wallingford series.

He came to Hollywood as a specialist in villainous roles which he endowed with a ferocious scowl on his plump face. He did some directing, too.

of a well-known grid clinic, visited Friend Sunday. Baldwin and Yovicsin spent a half hour together at Stroudsburg and then Baldwin left on a business trip to North Carolina and could not be reached for information on the search for his Sunday visitor.

The possibility that Yovicsin had stopped for a visit with Dick Harlow, former Harvard grid coach who had recommended the Gettysburg mentor for the Harvard job, was checked by telephone Tuesday evening. Harlow, who is living at a summer home in La A Na, Pike County, said he had not seen Yovicsin.

Several months ago Yovicsin was named football coach at Harvard to succeed Lloyd Jordan. His Harvard duties began in May. Yovicsin's disappearance attracted a great deal of attention and news stories were carried in metropolitan papers and on radio and TV networks.

Had Numerous Calls

Mrs. Yovicsin said this morning her telephone had been "ringing all night" with calls from newspapers, radio stations and wire services for news about her husband.

The Times carriers had a lot of fun in the pool at their picnic Tuesday. Philip Cole, Gettysburg (right), is shown trying to pull George Groff, also of Gettysburg, into the water with him. Slight Accident At Gulf Service Station

Borough police investigated an accident in front of Saylor's Gulf Service Station, 103 Carlisle St., Tuesday afternoon at 1:30 o'clock involving Samuel M. Praker, York, and Joseph P. Unterbrink, Ottawa, Ohio.

Police said Praker backed his car from the service station into the line of oncoming traffic and struck the car driven by Unterbrink. About \$25 damage was caused to the right rear door of Unterbrink's car, police said. There was no report of charges filed or injuries.

MAMIE IS FINE AFTER SURGERY

WASHINGTON (AP)—Mrs. Dwight D. Eisenhower continues in "fine" condition following surgery yesterday, her physician reported today.

James C. Hagerty, White House press secretary, relayed the following statement from Maj. Gen. Howard M. Snyder, the presidential physician:

"Mrs. Eisenhower's postoperative condition continues to be fine. She slept with but few interruptions throughout the night."

The President's wife underwent a two-hour operation performed by an Army gynecologist, yesterday at Walter Reed Army Hospital.

Later in the day, as she rested in the three-room hospital suite, her husband occupied 14 months ago, she was reported "doing fine."

President Eisenhower visited with her for 35 minutes last night, but as he left he told newsmen "I think she's sleeping."

He took with him to the hospital a small wax paper package which might have contained flowers.

Ike Considers

tried to show what effect the proposed financing change would have on the Defense Department. Eisenhower said he is viewing with the utmost hope the prospects that the Russians will accept the aerial and ground inspection plan put forward by Secretary of State Dulles in the London disarmament talks.

Disarmament Automatic

The President said general disarmament would follow step by step almost automatically if the U.S. proposal should be accepted. But first, he said, there must be some little progress toward mutual trust between the Communist world and the West.

MORE

As soon as the 8 o'clock call was received this morning, Mrs. Yovicsin called state police here to ask officers to cancel the "missing person" bulletin that had gone out when his disappearance was first reported. She told the officers there had been a "misunderstanding" on her part and that her husband had gone to the Poconos instead of Harvard.

Reunion Of Weiser Family Held Sunday

Approximately 200 members of the John Conrad Weiser family held their annual reunion Sunday at Conrad Weiser Park, Womelsdorf, Pa. Dr. Arthur D. Graeff, Robeson, author of "Conrad Weiser, Pennsylvania Peacemaker," was the main speaker.

Paul A. Weiser, Mechanicsburg, was elected president; Everett Weiser, York Springs, vice president; Frederick S. Weiser, Gettysburg, secretary. The following directors were elected: Leonard M. Benneth, Bethlehem; Vaneta Coughlin, Harrisburg; J. Bennett Nolan, Reading; Charles F. Snyder, Sunbury; Dr. H. M. M. Richards, Allentown; Louise Z. Stahl, Philadelphia; Frederick S. Weiser, Gettysburg; Everett Weiser, York Springs, and Paul A. Weiser, Mechanicsburg.

At a business meeting the coat-of-arms of the original John Conrad Weiser and the constitution and by-laws were adopted by the association. Later the grave of Conrad Weiser, 18th century Pennsylvania Indian diplomat, was decorated with flowers and the American flag by eighth generation descendants, Lee Anne and David Stahl of Philadelphia.

JAYCEES PLAN FAMILY PICNIC ON AUGUST 19

Future activities of the Littlestown Junior Chamber of Commerce were planned at the first August dinner meeting Monday evening at Schottie's Hotel. A family picnic will take place on Monday, August 19, 6:30 p.m., at Crouse's Pool, near town. Ralph C. Unger and Wilmer Dittler are co-chairmen in charge of arrangements.

It was decided that the chapter will conduct a concessions stand at the Kingsdale Firemen's Carnival during the last week in August. The Jaycee sponsored music festival held in July and the girls' professional softball games, held on Saturday night, were both pronounced successful. Preliminary plans were made to hold a stag picnic on September 16. The place for the affair and other details will be announced later. President Richard D. Thomas, who presided, appointed the following safety committee, William R. Keefer, chairman, Noah C. Brown and Robert V. Weaver. A report was heard from William Keefer, secretary. The Jaycee directors will meet on Monday, Aug. 12, 7:30 p.m., at Schottie's.

Linda Weikert gave a "show and tell" on how to make a picture at the meeting of the Littlestown 4-H Club on Monday afternoon, held in Grace Church parish hall, Two Taverns. Seventeen members, one visitor, and three adult leaders, Mrs. Emory Gitt, Mrs. Aaron Rohrbach and Mrs. Wade Brown, were present. The girls continued work on their sewing projects.

Bonnie Boyd was chosen to attend the 4-H Club Week to be held at the Pennsylvania State University, sometime in the near future.

Cubs Bounce Cards From 1st As Braves Take Reds; Yankee Lead Increased; Phils Lose

By ED WILKS
The Associated Press

Bob Rush and Ron Kline, a pair of right-handers with the National League's cellar chums, don't win very often, but when they do it sure raises hob with the pennant contenders.

Neither had won in two months, but when they got the job done last night the race had a new leader and its biggest gap between first and fifth since June 2.

Rush, Chicago Cubs' 31-year-old veteran who hadn't won since June 2, gained a 2-12 mark with a six-hitter that beat St. Louis 8-2 and ended the Cardinals' five-day stay in first place. Milwaukee's Braves moved back into the lead by half a game with a 5-4 victory over Cincinnati.

Kline, now 3-15 with Pittsburgh, junked the Pirates' losing streak at eight games with his first victory since June 9, tossing a five-hitter that beat Philadelphia 5-3 and pushed the fifth-place Phillies 6½ games behind.

Third-place Brooklyn fell three games back, losing 5-0 to the New York Giants as rookie Curt Barclay gained his first shutout with a five-hitter.

In the American League, the New York Yankees jumped to their largest lead yet, picking up a seven-game bulge as Bob Turley blanked Washington 4-0 on four singles while Kansas City socked the second-place Chicago White Sox 3-2. Baltimore won its fifth in a row and took over fifth place with a 2-1 decision over third-place Boston. Cleveland broke a fourth-place tie with Detroit and plunked the Tigers to sixth 6-1.

Sad Sam Relieved
The seventh-place Cubs rapped Sad Sam Jones for two runs in the first on Walt Morin's sacrifice fly and a wild pitch. Jones, now 9-5, left in the seventh when three Cub runs made it 6-1.

Warren Spahn won his 11th for the Braves, who had only five hits but had a pair of unearned runs to stand off a two-run Cincinnati ninth. Hal Jeffcoat lost it.

The Dodgers loaded the bases with none out in the first against Barclay, but the young right-hander got out of it—starting with a strikeout of Gil Hodges, the NL grand-slam champ—and allowed only three singles the rest of the way. Bobby Thomson had three hits and drove in three runs with a pair of triples. Johnny Podres lost his second in a row.

Clouts 3-Run Homer
Kline gave up a three-run homer to Harry Anderson for a 3-1 Phil lead in the fourth inning. But Gene Freese hit a two-run homer to tie it against 14-game winner Jack Sanford in the sixth. The Cubs, scored two in the seventh on two singles, an error and Frank Thomas' sacrifice fly.

Hank Bauer homered to lead off the first inning, for the Yankees as Chuck Stobbs lost his 15th. Turley put his scoreless winning string at 22. Jim Lemon and Art Schult shared the Nat hits with back-to-back singles in the fourth and seventh innings as Turley took an 8-3 record.

The Red Sox managed just five hits off Ray Moore, who won his eighth, and reliever Ken Lehman. Willie Miranda drove in both Orioles runs with a pair of singles. Willard Nixon lost it.

Roger Maris, Gene Woodling and Vic Wertz homered for the Tribe to hand Jim Bunning a 13-4 record with his first defeat since July 17 and only his second since June 21. Don Mossi won his eighth.

Woody Held grove in three runs, homering along with Billy Martin, as winner Alex Kellner and Virgil Trucks checked the White Sox, who out-hit the A's 10-6.

GOLFDOM'S BIG TOURNAMENT TO OPEN THURSDAY

CHICAGO (AP)—Golfdom's biggest pressure tournament, the \$101,200 "World" at Tam O'Shanter, opens tomorrow with an aggregation of professional golfers only that amount of money could lure.

They will be aiming for the No. 1 prize of \$50,000 with an additional \$50,000 for the winner for a yearlong series of exhibitions. The top man on the list is Roberto de Vicenzo, the Mexico City pro who won the All-American Tournament over the weekend. He shot a snappy 273, 15 under par.

Can he repeat? De Vicenzo himself has said shooting for \$3,500 and for \$50,000 makes a big difference. Yet it is the same course and the same number of holes.

Other Good Men
Another good bet is Gene Littler, who blazed across the final 18 in the All American with a record-setting 63 to finish four strokes behind De Vicenzo. And always considered the man to beat, Sammy Snead may just be finding the range at Tam.

Snead had a round of 66 and would have given De Vicenzo a push if he hadn't dropped to a 71 on the last round to finish third with a total of 278.

Then there's 28-year-old Paul Harney, who has caught the imagination of many golf fans. Harney came from victories in the Flint Open and the Labatt in Canada and finished fourth at Tam.

Others who looked good in the All American were Dow Finsterwald, Art Wall Jr., Bob Rosburg and Fred Hawkins. All four tied for fifth.

Williams Grove To Hold Title Race
WILLIAMS GROVE, Pa.—If experience pays off Bill Parks, High-spirited auto salesman, "has it made" in Saturday night's 100-mile National Championship late model stock car racing class on the Williams Grove Speedway.

Parks rolled up 4,000 laps on the half-mile oval as a test driver for a tire company back in 1954. Parks said he had a lot of respect particularly for two drivers who will be in the field, Troy Ruttman, the Lynwood (Cal.) winner of the Indianapolis in Classic in 1952 and Johnny Parsons, Van Nuys, Cal., winner in 1950.

In addition to Ruttman and Parsons, the late model race will draw a number of other stars of both the Indianapolis Classic and the recent Monza (Italy) 500, and will be run under sanction of the U. S. Auto Club, successor to the A. A. A. as the leading sanctioning body of big time auto racing in the country.

Truck Crashes And Explodes; Man Dies
NEWARK, N. J. (AP)—Cleo Willard Reed, 20, of Andover, Pa., was killed yesterday when the truck he was driving exploded and burst into flames after hitting an abutment on Rt. 22.

The vehicle, an empty coal truck, was heading west on the highway when it hit the abutment near the Meeker ave. overpass, exploded several times and burst into flames.

The driver, son of Walter E. Reed, owner of the vehicle, was thrown clear of the vehicle, was severely injured by the accident because, police said, any identification papers he may have carried were burned up.

RENO, Nev.—Joey Giambra, 159, Buffalo, N.Y., knocked out Jimmy Welch, 160, Columbus, Ohio, 6.

NEW BEDFORD, Mass.—Jimmy Connors, 125, New Bedford, knocked out Ramon Soto, 125, Puerto Rico, 1.

Eastern League
The Binghamton Triplets got tired of trying to walk to home plate last night and decided to ride in on long hits.

In the third inning of last night's Eastern League game against visiting Springfield, the first four Binghamton batters were walked by Giant pitcher Pat Utley. But the first stroller was picked off second and the next was cut down trying to steal.

Finally Deron Johnson decided matters. He herded the other two runners home with a triple and was himself knocked in by Frank Leja's double. Binghamton won, 7-1.

The victory stretched the Triplets' league lead to 1½ games as second-place Schenectady took a 5-4 loss at Allentown, where winning pitcher Lew Spencer, knocked in the winning run. At Albany, the Senators edged the Reading Indians, 2-1.

LEASE JUNIATA FISHING BANKS

HARRISBURG (AP)—Two tracts of land along the Juniata River in Perry County have been leased from the Pennsylvania Power and Light Co. by the State Fish Commission for use as fishing banks at \$1 a year.

The tracts, covering about 1½ miles of shoreline along U.S. 22, will be ready for use by fishermen early next summer, commission Director William Voight Jr. said. The tracts were leased for 10 years.

One tract, about 7½ acres and 2,800 feet along the river, lies about 2 miles east of Newport. The second is 10.82 acres and about 3 miles east of Newport and has about 4,400 feet of river frontage.

Voight said the commission planned to build access roads from U.S. 22, boat launching facilities and sanitary facilities. He said the commission was negotiating for two other tracts off the highway, one near Mexico and the other east of Millerstown.

HARRISBURG (AP)—Thirteen white leghorns owned by Leo J. Graybill of McAlisterville have produced 3,303 eggs since last October to take second place in the 26th annual Pennsylvania Egg Laying Test, the State Department of Agriculture reported today.

The department reported that seven Pennsylvania producers were now among the top 10 in the state tests. Entries in the test are from 12 states.

The Long Island Aggies of Farmingdale, N. Y., won the Knickerbocker Conference baseball race with an 8-1 record. Long Island University was second, winning six league games out of eight.

After a conference with doctors, Pat Bartlett, Courchesne's manager, said Bobby is through as a fighter.

Boxer Released After Operation
SPRINGFIELD, Mass. (AP)—Boxer Bobby Courchesne, 22, was due to be released from Springfield Hospital today. The Holyoke ring veteran is recovering from a brain operation for a blood clot. The surgery was performed July 29.

The lightweight campaigner collapsed in his corner after the eighth round of a scheduled 10-rounder against Bobby Bell of Youngstown, Ohio in New York in July.

After a conference with doctors, Pat Bartlett, Courchesne's manager, said Bobby is through as a fighter.

TEBBETTS SAYS TEAMS IN WEST MAY PLAY TO "STANDSTILL"

MILWAUKEE (AP)—Manager Birdie Tebbetts figures if St. Louis, Milwaukee and his Cincinnati Redlegs play each other to a standstill from here on in, Brooklyn could retain its National League championship.

Birdie admitted last night before the fourth place Reds lost to the Braves 5-4 that there are some ifs, ands and buts to his theory, but on one point he was emphatic.

"If a Western club wins it," he said, "it will be a great club because it will have to eliminate the other two."

Break For Dodgers
Birdie, whose team dropped five games behind Milwaukee, pointed out the three Western contenders play each other in nearly half the remaining 50 games. The Braves climbed over St. Louis into the lead last night.

Actually, the Braves have a total of 23 dates left with Cincinnati and St. Louis, 12 of them at home, while the Cardinals and the Reds each have a total of 21 games left to play against the Braves or each other.

Brooklyn, on the other hand, has 13 games left with the three Western teams. Second division clubs will supply the third running Dodgers with most of their opposition in the days ahead.

Still 5-Team Race
"With 50-odd games still to play," Tebbetts added, "this still is a five-team race. I'm not counting out anybody yet."

"If the Western teams take turns beating each other and don't pick up any ground, then I would have to give Brooklyn the edge because of its home schedule and the fact it is playing second division ball clubs. Brooklyn can match Philadelphia's pitching; so as far as the two Eastern contenders are concerned, I would string along with the Dodgers."

"Now if one of the Western teams eliminates the other two, it would still have to contend with the Dodgers at Ebbets Field. The Western clubs just cannot afford to stand still or Brooklyn will take it."

Argentine Bishop Attacks Catholics Before Council

By GEORGE CORNELL
NEW HAVEN, Conn. (AP)—A demand that the World Council of Churches charge the Roman Catholic Church with suppressing religious liberties in some countries appeared likely to be dropped.

Officials, assessing sentiment at a meeting of the council's policy-making central committee here, predicted this outcome.

The proposal came Monday night in an impassioned speech by Methodist Bishop Sante Uberto Barbieri of Argentina, who said religious minorities are oppressed "wherever the Roman Catholic Church is dominant."

Called "Totalitarian Power" "I have been pleading for many years for the World Council to stand up in defense of liberty in these Roman Catholic countries," said the bishop, one of six council presidents.

He termed the Roman Catholic Church a "totalitarian power" and said it forces itself on populations "not by the grandness of the gospel of Jesus Christ, but by political means and treachery."

"We should not keep silent," he said. "We should state the facts of the struggle and insist that the Roman Catholic Church have the same respect for Protestants as we have for it."

The Roman Catholic Church does not belong to the council, which is made up of 165 Protestant, Anglican and Orthodox churches in 50 countries.

The flareup came over a proposed resolution, saying Protestants in Colombia, South America, have suffered "grave disabili-

ties" and expressing hopes the new government there will "restore religious freedom."

It did not mention the Roman Catholic Church.

The Rev. K. Slack of London called the statement "timid and tepid," and theologian H. C. W. D'Espine of Geneva, also said it was inadequate.

GRAHAM TV CAST WILL CONTINUE

NEW YORK (AP)—Saturday night telecasts of Billy Graham's thrice-extended New York crusade will continue through August, the ABC-TV network announced Tuesday.

The ABC decision marks the third extension of the television series, which began June 1 and occupies the 8-9 p. m. slot Saturday nights on ABC.

The evangelist will resume his meetings in Madison Square Garden tonight. Graham rested last night.

Graham's crusade had its formal opening May 15 and since then has drawn 1,395,300 persons, including the 100,000 who attended the Yankee Stadium meeting July 20.

The telecasts direct from the Garden include Graham's sermon, gospel singer George Beverly Shea, song leader Cliff Barrows, pianist Tedd Smith, organist Paul Mickelson, music by massed choirs, and the audience response.

LAWYER CLAIMS DIO "PROTECTED" GLASS DEALERS

WASHINGTON (AP)—A Brooklyn lawyer testified Tuesday that racketeer Johnny Dio sold "protection" through a union contract to automobile glass dealers in the New York area.

Stanley Lehrer, attorney for the Auto Glass Dealers Assn. of Greater New York, told the Senate Racketeers Investigating Committee he sat in on the negotiations. He said Dio guaranteed the 150 association members they would have no further labor troubles if they signed up with Local 227 of the old United Auto Workers Union AFL.

Lehrer said at least 60 per cent of the shops are one-man or two-man operations, in which the owners hire no employees, but that they had to join the union anyway and pay monthly fees and dues to both the union and Dio's Equitable Research Corp.

Robert F. Kennedy, the committee counsel, called it a "sweetheart" contract—a term applied to contracts in which union officials and employers reach terms to benefit themselves but which afford few benefits for the workers.

Lehrer said "I agree it was a very 'soft' contract" which would mean little to the dues paying employees. Caustically, he added it was "very favorable to the employer in a one man shop who had no need for it in the first place."

Lehrer said the contract, which called for payments ranging upward from \$100 a year from shops and their employees, brought the association immunity against "jurisdictional" disputes in which rival unions would place picket lines around their plants and thus shut off delivery of glass for installation.

One thing the contract did, the lawyer said, was put an end to visits from a character named Benny (The Bug) Ross, who was trying to organize the plants into a rival union.

There have been three killings and a series of beatings and brawls involving teen-agers in the past 11 days.

The young rookies have been armed with nightsticks and pistols. Each rookie's beat will be linked with two others manned by experienced patrolmen.

The rookies are going into battle in such potentially dangerous areas as the Red Hook section of Brooklyn and Washington Heights in Manhattan. They will walk their beats from 6 to 12 p.m.—the critical hours for teen-age violence.

The rookies are probationary patrolmen enrolled at the police academy. They were sworn in last June 28.

On Alert
The city's 23,000-man regular police force are under a special order alerting them against outbreaks of juvenile crime. Teams of detectives have been assigned to areas where youth gangsterism occurred recently.

The department also ordered a special watch on taverns that may be selling liquor or beer to youths under 18.

There were 29 deaths from juvenile violence in the city in 1956. The count so far this year is 22.

Soviet Boss Likes Friendship, Food

MOSCOW (AP)—The Kremlin's top brass turned out for a World Youth Festival party in the Kremlin Monday night and Soviet Communist party chief Nikita Khrushchev again grabbed most of the limelight.

Shouts of "Khrushchev, Khrushchev!" and "Friendship, friendship!" rose repeatedly from the crowd.

The party leader broke up his enthusiastic audience when he directed to Defense Minister Georgi Zhukov a stage whisper that boomed out over the public address system: "Friendship, but we got to eat."

N. Y. USES 600 STUDENT POLICE IN CRIME WAVE

NEW YORK (AP)—The city's 600 student policemen started pounding beats last night on shadowy streets where youth crime is most likely to erupt.

The emergency move was ordered Monday after a hastily called meeting of city and state officials. They met to plan a counterattack against a recent rash of juvenile crime.

There have been three killings and a series of beatings and brawls involving teen-agers in the past 11 days.

The young rookies have been armed with nightsticks and pistols. Each rookie's beat will be linked with two others manned by experienced patrolmen.

FIRE HAZARDS ARE SERIOUS IN STATE FORESTS

HARRISBURG (AP)—State forestlands are approaching a state of "critical fire hazards," the Department of Forests and Waters said.

John J. Molloy, chief of the department's Hydrography Division, who made the statement, also said river flows in the state were far below those of a year ago.

"A continued shortage of precipitation," Molloy said, "could curtail our water supply to an extent causing grounds for serious concern."

Urges Extreme Caution
Forests and Waters Secretary, Maurice K. Goddard urged those using Pennsylvania wooded areas to use "extreme caution against discarding lighted cigarettes and leaving camp fires unattended."

"Until drenching rains correct the danger of forest fires," Goddard stated, "the commonwealth of Pennsylvania, with its more than 50 per cent forest area, is threatened with great loss if extreme care is not exercised by everyone visiting our woodlands."

"I appeal to everyone, to constantly guard against carelessness with fire. All of the resources of Forests and Waters cannot replace the incalculable loss to watersheds and timber when a careless visitor causes the dreaded scourge of forest fire," he added.

River Flow Down
Molloy said the Lehigh River at Bethlehem registered a flow of 540 cubic feet a second recently compared with 1,390 feet a second at the same time last year.

The Schuylkill River at Pottstown registered 367 feet as compared with 856 feet a year ago. The Susquehanna River at Harrisburg was reported one quarter the amount of flow it had a year ago.

TWO BROTHERS BADLY BEATEN

NEW YORK (AP)—Two teen-age brothers who have appeared in "tough guy" roles in television dramas were beaten up by two youths in a park in upper Manhattan on Monday.

Police gave this account: A half dozen youths confronted Dennis Mahoney, 16, and Patrick, 14, as they were walking in Highbridge Park.

One of the group stepped forward and said to the brothers: "You guys are supposed to be tough guys, aren't you? Well, let's see you prove it."

Two of the group then punched and kicked the brothers, who fled. The Mahoney boys' parents took them to Jewish Memorial Hospital.

Dennis was kept at the hospital for treatment of a brain concussion. His condition was reported satisfactory today. Patrick was treated for a bruise over his right eye and sent home.

The brothers identified their assailants. Detectives arrested two 16-year-old boys, John Matthews and Thomas P. Ryan, and charged them with assault.

FARM SURPLUS IS INCREASED

WASHINGTON (AP)—The Senate has passed and sent to the White House a bill increasing to four billion dollars the amount of farm surpluses which the government can barter or sell to foreign nations.

The measure, extending the Agricultural Trade Development and Assistance Act to June 30, 1958, also authorizes bartering—but no sales—with Communist satellite countries of Europe.

Previously, the satellites were barred from participation in the program. Russia and Red China still are excluded.

The Senate passed the bill by voice vote on Monday, nearly a month after the House had passed it.

The increase of one billion dollars, from three to four billions, was made in a section of the bill under which surplus contracts can be sold to friendly foreign nations for their currency. The money from such sales is used for paying various U.S. obligations abroad, buying strategic goods and building military housing.

The measure increases by 300 million dollars the amount available for farm surplus disposals to help friendly foreign people in emergencies.

Reserve Artillery Firing On Range

INDIANTOWN GAP, Pa. (AP)—Three artillery battalions of the 28th Infantry Division, Pennsylvania National Guard, began range firing Tuesday at this military reservation.

The units are the 107th from Pittsburgh, the 109th, Wilkes-Barre, and the 229th, New Castle. They are equipped with 105-mm. guns. The 108th Field Artillery Bn. from Philadelphia, equipped with 155-mm. guns, will start firing tomorrow.

The division is at the reservation of annual summer training.

James MARLOW Reports

The Associated Press

WASHINGTON (AP)—Senate Democrats aimed at one bird in the civil rights bill. But they used a shotgun and hit everything in sight.

They acted so hastily in amending President Eisenhower's civil rights bill—with the help of a handful of Republicans—that right now they don't know all they hit or the full effect of what they did.

At least 40 laws, many government agencies and all the federal courts are affected. That much is known.

Eisenhower reportedly will veto this bill if the House agrees to what the Senate did and sends it to him. Because of the measure's widespread and uncertain effect, it's hard to see how he could do otherwise, even though vetoing it puts him on a political hot-spot with Negro voters.

The bill was intended to protect Negroes' voting rights. It gives them far more protection than they've ever had. But its effects go far beyond voting rights.

The Eisenhower administration proposed letting the attorney general step in when Negroes' voting rights are violated. He could ask a federal judge for a court order to stop the violations.

Anyone disobeying could—after

a trial on a charge of civil contempt—be jailed until he complied. Anyone disobeying after it was too late for compliance could be given a flat jail sentence for criminal contempt of court.

In both cases—civil and criminal contempt—the judge, without a jury, would do the trying and sentencing under the administration's proposal. There is nothing new in this. Trial by judge for contempt of court has existed throughout American history.

In a very few instances there have been specific laws permitting trial by jury in cases of criminal contempt. The Constitution guarantees jury trial for crimes but not for contempt of court.

A Huge Order
A crime—being a violation of state or federal law—is an offense against the state or the government. Contempt of court is an offense against the authority of a judge and his power to command compliance with his orders.

Southern Democrats did not agree against trial by a judge alone for civil contempt. But for criminal contempt they demanded a jury trial. Some Northern Democrats, avoiding a split in the party agreed to that and then went far beyond it.

Thirty-nine Democrats and 12 Republicans—with 9 Democrats and 33 Republicans opposing them—voted to provide trial by jury in every criminal contempt of court case. That's a huge order.

Count 40 Laws
A number of laws provide for court-orders—and trial by a judge for criminal contempt—but no one knows how many. The latest count, before the vote Thursday night, was 40.

Tied in with those laws are many government agencies—like the Securities and Exchange Commission, the National Labor Relations Board, the Federal Communications Commission—which depend on court orders for final carrying out of their rulings.

Three Upper Adams Little League Teams

Manager Dale Ecker's Phillie gave the Pirates a real race for the first-half championship of the Upper Adams Little League before winding up in second place a game off the pace. Currently Ecker has his club tied with the Yankees at the top of the heap with a 4-2 record and hopes that his charges will take it all this time. Outstanding for the Phillie has been Bill Slaybaugh, a ten-year-old, who has socked about 10 homers and pitched a no-hitter. Bob Cover, a nine-year-old, has won a regular starting berth in right field. Pictured above are the Phillie: First row, left to right, Manager Dale Ecker, John Pitzer, Herbert Bowers, Robert Garretson, Dennis Ebert, Melvin Mentzer. Second row: Jack Royston, Richard Guise, Raymond Kuhn, Bill Slaybaugh, Timothy Hackman, Robert Cover and James Miller. (Ziegler Photo)

Manager Purcell Bohrer's Pirates of the Upper Adams Little League won the league's first-half race by posting a 7-3 record for a .700 percentage. They came home a full game in front of the Phillie in a real tight race. At present the Pirates are a game off the pace set by the Phillie and Yankees who have each won four and lost three. The Pirates are 3-3. Pictured above is the Pirate square: First row, left to right, Earl Constable, asst. manager; Randy Divley, Pat Kane, Junior Davis, Richard Price, Blake Constable, Richard Thomas and Purcell Bohrer, manager. Second row: John Constable, asst. manager; Loy Thomas, Fred Hartman, Robert Tate, Ronnie Maylor, Phil Redman, Ronnie Black, Tony Bushey. (Ziegler Photo)

Manager Bob Kluck's Braves of the Upper Adams Little League finished the first half in third place two games off the pace. Currently they are tied with the Cardinals in last place with a 2-4 record but still are only two games off the lead and apt to have a lot to do with the eventual winner. The Braves have played good ball and have had excellent work from Gary Bream at first base; Ross Kennedy, who does everything well, and Skip Yohe, one of the league's top catchers. Jimmy Wright, who loves his baseball, has been sidelined for the summer by doctor's orders, but hopes to be back next year. The Braves squad pictured above includes: First row, left to right, Tony Showers, Roger Waganan; Jimmy Wright, Ronald Thomas, Bruce Marden, Jimmy Mayer, Richard Arnsberger and Robert Warrenfeltz. Second row: Robert Kluck, manager; Roy Livingston, Ross Kennedy, Lonnie Schultz, Gary Bream, Stanley Lupp, William Alexander, David Slonaker, William Yohe, Donnie Black, Ronald Kline, Jacob Alexander and Kenneth Orner, bat boy. Photographic Exhibit At South Mountain Fair Will Have A New Look; Exhibit Prints And Slides

The photographic exhibit at the South Mountain Fair will have a new look this year, as will many other displays as the Fair Association broadens its reach to make this 34th annual fair the best in its history.

This year camera "bugs" can show either prints or slides. The first and second classes are the same as last year: pictorial and portrait. Class three must have a specific theme: Springtime in Adams County, either a farm or orchard scene. Class four consists of color slides and class five of color slides on the Springtime in Adams County theme with either a farm or orchard scene. Class six is now the best print or slide in the show.

Rules Are Changed

The rules for exhibition have been changed since last year. Prints previously exhibited at the South Mountain Fair will not be eligible for competition. Classes 1 and 2 will consist of black and white prints, 8x10 or larger, mounted on 16x20 mounts. Film exposure and paper processing must be done by the exhibitor. Toned prints will be acceptable in these two classes.

Class 3 will consist of 5x7 or larger black and white prints. Exposure must be made by the exhibitor, but the print need not be. Prints will not be mounted for this class. Entries here and in class 5, the color slides on the same theme, will give reproduction rights to the Adams County Fruit Growers Association.

Classes 4 and 5 will be limited to 2x2 mounts. The name and address of the exhibitor must be on each entry.

Entries Are Limited

Exhibitors are limited to five entries in class 4 and ten entries in class 5. Prizes for the first five classes remain the same as in the past: first, \$3; second, \$2; third, \$1. The best print and slide in the show will each receive a \$5 award.

For the convenience of exhibitors, photographic entries may be left at Dave's Photo Supplies, Chambersburg St., Gettysburg, until 6 p.m. September 3.

Members of the photography committee are: E. Phillip Tyson, chairman; Maurice S. Stoops, Edward N. Stine, and Paul G. Pensinger.

60 WARSHIPS GO INTO MOTHBALLS

WASHINGTON (AP)—The Navy plans to put 60 ships—including the battleship Iowa and 26 other combat vessels—into mothballs soon to reduce expenses.

In announcing the cut on Monday, the Navy said there would be little effect on fighting power because of the new atomic-powered

submarines and other modern vessels scheduled to join the fleet by next June.

While the older ships are being laid up, 23 new vessels and 10 ships being converted to more modern weapons will be added to the fleet, the Navy added.

Others Deactivated. Other ships to be deactivated will include 8 destroyers, 16 destroyer escorts, 7 submarines, and in the noncombat category, 5 transports, 5 landing ships, 2 attack cargo ships and 21 minesweepers and mine hunters.

The specific vessels will be picked soon, the Navy said. The removal of the Iowa from the fleet leaves only one battleship, the Wisconsin, on active duty.

The cuts come in the wake of a Pentagon order to the Navy to reduce its personnel by 15,000 men, and to hold down spending

DAUGHTER BORN TO MIKE TODDS

NEW YORK (AP)—Showman Mike Todd says nine doctors deserve bows for a "miraculous" job in the delivery of a premature baby to his wife Elizabeth Taylor.

A 4-pound, 14-ounce daughter was born to the beautiful brunette film star through Caesarean section yesterday at Columbia Presbyterian Medical Center. The baby was due in October.

Todd said Dr. Virginia Aprar "worked over the baby for 14 minutes before she hollered." Dr. Aprar is a resuscitation specialist. She breathed life into the tiny infant.

"Those were the longest 14 min-

utes of my life," said Todd.

The baby was named Elizabeth (Liza) Frances Todd.

Miss Taylor, 24, was in the hospital two days last week for what were thought to be premature labor pains. She was released but returned again Saturday.

The actress is the mother of two sons from her marriage to British actor Michael Wilding. She and Todd were married last Feb. 2.

The hospital reported today that the mother and the baby, who was in an incubator, were both "doing well."

Wisconsin school officials found that children will drink more milk if it is made available more often. Lowering prices didn't seem to change appetites of children for more or less milk.

COURT UPHOLDS PHOTO BAN IN PRESS APPEAL

PITTSBURGH (AP)—U.S. District Judge Wallace S. Gourley Tuesday upheld a Westmoreland County ban on the taking of photographs in the courthouse.

Judge Gourley ruled the lower court has the right to forbid the use of cameras in courtrooms and their vicinity during trials.

He said the court has a duty to protect the privacy of an accused person, Judge Gourley added.

"The constitutional right of the accused to a public trial is a privilege intended for his benefit. It does not entitle the press to take advantage of his involuntary exposure to picture his plight."

The federal jurist also found that "pictures in the courtroom are repugnant to the high standards of judicial decorum and may prove an opening wedge to a gradual deterioration of the judicial process."

Dismisses Argument

Judge Gourley dismissed an argument of the Pittsburgh Post-Gazette and the Greensburg Tribune-Review, which have been fighting the ban for several years, that the ban was contrary to the first (freedom of the press) and 14th (due process of law) amendments to the U.S. Constitution.

Seven newspapermen of the two newspapers deliberately violated the ban in December, 1954, when John Wesley Wable was sentenced to death for a slaying on the Pennsylvania Turnpike.

The newspapermen directed photographers to take pictures of Wable after he had left the courtroom. The pictures were taken in a hallway on a floor below the one on which the courtroom is located.

Cited For Contempt

Judge Edward G. Bauer of Westmoreland County Court cited the seven for contempt of court, fined them and sentenced them to five-day jail terms.

The Pennsylvania Supreme Court upheld the fines but dismissed the jail sentences, stating the ban was violated only for the purpose of initiating a test case.

The U.S. Supreme Court then refused to review the decision, and the two newspapers went into U.S. District Court.

Publisher David W. Mack of the Greensburg Tribune-Review commented when told of the ruling by Judge Gourley:

"We are disappointed again, and will have to consider what further steps may be taken."

It is possible for the case again to be appealed to the U.S. Supreme Court.

Cite Operators For Devotion To Duty

PHILADELPHIA (AP)—The Bell Telephone Co. of Pennsylvania has cited three telephone operators who stuck to their switchboards despite smoke and flame during a fire at Mount Union, Pa.

The operators were presented Theodore N. Vall awards—the highest honors conferred by the company on its employees for outstanding devotion to duty.

Mrs. Musetta R. Wagner, Mrs. Margaret G. Scott and Mrs. Freda H. Hicks, all of Mount Union, were on duty at the telephone exchange in that little Huntingdon County community when a fire broke out in an adjoining furniture store March 31.

They stuck to their posts and spread the alarm, even as flames spread to the exchange itself.

Before they left, they gathered up vital business papers in the office and took measures to save telephone equipment and keep lines open between Mount Union and neighboring communities.

Four standard U. S. Army weapons, including the BAR (Browning Automatic Rifle), carbine and 45 calibre pistol may be replaced by a recently developed seven-pound rifle that fires up to 750 shots a minute.

DULLES BACKS GLUCK, SMITH AT CONFERENCE

WASHINGTON (AP)—Secretary of State Dulles said Tuesday a contribution to a political party should not be made a bar to diplomatic appointment.

Defending the appointment of "political" ambassadors at a news conference, Dulles said retired businessman Maxwell Gluck is going to Ceylon as ambassador because he meets Dulles' three qualifications for a diplomat: Integrity of character, sharp and quick intelligence and devotion to the national interest.

Dulles also defended the conduct of Ambassador Earl T. Smith in Cuba, another "political" appointee, who has been criticized for visiting the rebel center of Santiago. Smith protested the Batista government's arrest of women demonstrators who sought to impress him with their cause.

The fact is, Dulles said, that Smith is a person of flesh and blood and heart and while his statement—demanding release of the demonstrators—may not have been perfectly correct as to diplomatic niceties it was a balanced statement and a very human thing to do.

Specifically on the question of campaign contributions Dulles said the Eisenhower administration has appointed more than one ambassador who has contributed money to the Democratic party—as well as those who have contributed to the Republican party.

Gluck's nomination came in for considerable discussion after the release of his testimony before a Senate committee in which he mentioned Republican contributions of more than \$20,000 and said under questioning that he wasn't too familiar with the names of Southeast Asian leaders.

Mixed Up Collie Is Shifty Cat-naper

LAKELAND, Fla. (AP)—Mrs. Agnes Caum has a mixed-up Collie named Duchess who is an accomplished cat-naper.

"Some time ago," she says, "we let her nurse one of our cat's kittens just as sort of a joke—we didn't know she would take it seriously."

But after this kitten was removed, Duchess went next door, snatched a kitten from its mother and brought it back to feed along with her seven pups. Mrs. Caum returned the kitten and tried to explain matters to Duchess.

It didn't take. Next day she went again to the neighbor's and abducted another kitten.

RED NATIONS IN ASIA PROBLEM ON INSPECTION

By WATSON SIMS

LONDON (AP)—The United States has made plain to Russia that it will not open all its bases to Soviet aerial inspection until the place of Asia's Red nations in Russian military plans is spelled out.

Harold E. Stassen, U.S. delegate to the U.N. Disarmament subcommittee, indicated this yesterday when Russia's Valerian Zorin made a three-point request for clarification on the air and ground inspection system proposed last week by Secretary of State Dulles.

Asked by Zorin why the plan did not cover U.S. bases in North Africa, the Middle East, Turkey and Pakistan, Stassen replied that their inclusion would have brought up "very difficult" political questions.

Complicated Questions

Stassen pointed out that the Western proposal provides for possible expansion of the inspection zones when and if progress is made toward settling political questions involved.

Informed U.S. sources here made clear the main question involved in expanding the inspection zones is Russia's relationship with the Communist governments of China, North Korea, North Viet Nam and Outer Mongolia.

Those Red nations are not recognized by the United States and are not involved in the disarmament negotiations.

Mutual Fears

Presumably the United States feels that excluding certain Western bases from inspection would offset the possibility that an attack might be mounted from Red China or some other Communist Asian nation.

Russia has contended that she could be in danger of attack from Africa and the Middle East while holding inspection rights over Europe and North America.

Zorin sought clarification on two other points:

1. Why did the Dulles plan rule out creation of an inspection plan covering only Europe—and make this zone conditional on creation either of a zone centering in the Arctic Circle or a broader zone embracing almost all of North America and the Soviet Union?

Cooperation Required

2. Did Dulles propose that Russia and the West cooperate in setting up air and ground inspection before or after a first-step disarmament treaty comes into force?

To the first question, Stassen said the European governments did not feel they would be adequately protected by a zone only embracing Europe. These governments, he added, had the "logical and natural feeling" that, to be effective, the plan would have to embrace areas of the United States and Russia proper.

Stassen replied to the second query that Dulles envisaged East-West cooperation on the inspection plan both before and after any disarmament pact goes into effect.

Before the treaty takes effect, he said, Russia and the West would have to cooperate in working out inspection plans. Later, he added, they would have to cooperate in putting the plan into force.

Woman Driver Gives Cop A Hard Time

BINGHAMTON, N.Y. (AP)—Motorcycle patrolman Robert Stump complained that "a woman like that oughtn't be allowed to drive" as he reported that Mrs. Yvonne Clary, 33, of Whitehouse, Queens: 1. Roared along a city street at 90 miles an hour; outdistanced him in her 1957 automobile when he chased it.

2. When finally stopped and asked for license and registration, sped away a second time.

3. Was caught in New Milford, Pa., after state police there and in New York had been asked for aid.

4. So far has ignored a summons issued on a charge of speeding.

NIKITA VISITS GERMANY; SEE UNITY REHASH

BERLIN (AP)—Allied officials look for a dressed-up rehash of German reunification to result from Nikita Khrushchev's visit to East Germany starting today.

All signs pointed to a Russian gesture aimed at swaying West German voters. On Sept. 15 they elect a new Parliament and decide between Chancellor Konrad Adenauer, a staunch advocate of military alliance with the West, and Socialist opponents favoring greater neutrality in East-West politics.

Khrushchev, accompanied by Foreign Minister Andrei Gromyko, is expected to make his big pitch at a special session of the East German Parliament Thursday.

The East Berlin radio quoted the East German ambassador to Moscow, Johannes Koenig, as saying: "The importance of the visit of the Soviet party and government delegation will reach far beyond the borders of the (East) German Democratic Republic."

Only New Version

But Western diplomats doubted that the expected Soviet diplomatic gambit will be anything more than a new version of what the Kremlin has offered before.

The Russians have consistently dodged Western demands that Germany be reunified through free elections and allowed to decide its own place in the East-West setup. Instead, the Communists invariably demand that Germany's future be worked out in direct negotiations between the Bonn government and the East German regime is not representative of its people.

Western newsmen assembled from all over Europe were barred from accompanying the Khrushchev delegation on its tour of the East German provinces. They will be allowed to attend only four East Berlin functions under close Communist supervision.

Khrushchev is expected to explore ways of stamping out popular unrest, which has made East Germany one of the more unstable of the satellites.

KILLED VIRUS BEST VACCINE

NEW YORK (AP)—Dr. Jonas Salk said the killed virus vaccine he developed "will solve the problem of paralytic polio." But he doesn't rule out development of "other ideas and variations" in antipolio vaccines.

Salk returned on Monday from the fourth International Polio Conference in Geneva. He was asked about the recent recommendation of a 12-nation panel of the Health Organization for trials of a polio vaccine made from live virus which could be taken through the mouth.

"The consensus of fact indicates," Salk replied, "that all countries which are vaccinating are using the killed virus vaccine." He said he is convinced that the killed virus holds the answer to eventual elimination of the disease. But he added that development of other types of antipolio vaccine is possible.

Salk estimated that more than 100 million persons have received the Salk vaccine in both the free and Communist worlds.

HOUSE SLASHES AIR ACADEMY'S APPROPRIATION

WASHINGTON (AP)—The House Appropriations Committee slashed \$279,158,380 from a supplemental money bill Tuesday and told the Air Force not to make its new academy "a monument to governmental extravagance."

It approved \$1,581,500,587 of the \$1,860,748,967 President Eisenhower had requested for miscellaneous programs, mainly for military construction.

Included in the total approved was 12½ millions of the 35 millions requested for a new Washington airport at nearby Burke, Va., a project fought bitterly by both Maryland and Virginia senators.

Cut Academy Fund

The committee cut \$8,332,000 from the \$29,169,000 requested for construction at the new Air Force Academy at Colorado Springs, Colo. It expressed dissatisfaction over "the evident lack of concern for cost factors."

Some contracts have been let at costs as much as three times original estimates, it said.

The steady increase in air traffic into and out of Washington, the committee said, makes it imperative that the area have a new airport by 1960. The estimated over-all cost of the proposed new airport at Burke is 60 million dollars. The committee said the full construction cost will be amortized over "a reasonable number of years, thereby costing the taxpayers nothing."

For military construction, the committee recommended \$1,521,500,000 of the \$1,764,500,000 requested. It complained of "a lack of coordination and agreement on objectives between the office of the secretary of defense and the housing field."

The committee approved \$2,410,000 of the \$3,875,000 the Army requested for administration of the Ryukyu Islands but rejected the entire \$9,200,000 sought for a new electric power plant for the islands. It said the islands now are using less than 40 per cent of the output of the existing generating plant.

Other allotments included:

Fifteen millions for disaster relief for states and local areas suffering major disasters.

\$13,317,000 for the Tennessee Valley Authority, a reduction of \$1,465,000.

\$2,200,000, the amount requested for a U. S. trade fair exhibit of American life and industry in Gorki Park, Moscow, in the summer of 1958.

STRANGLES ON HOT DOG

POTTSVILLE, Pa. (AP)—Three-year-old John Bowers 3rd choked to death on Monday when a chunk of a frankfurter he was eating became lodged in his throat.

He was the son of Mr. and Mrs. John Bowers of Pottsville.

The victim was dead on arrival at Wayne Hospital. Dr. A. Wesley Hildreth said death was caused by suffocation from a blocked windpipe.

SUSPEND LICENSES

HARRISBURG (AP)—The State Liquor Control Board on Monday suspended these licenses, effective Aug. 27, for the reasons it cited:

Peter K. Carley, College Cafe, York, 10 days; permitted minors to frequent.

Joseph J. and Florence G. Grazio, Grazio's Restaurant, McAdoo, Schuylkill County, 10 days; permitted minors to frequent.

be heard in Harrisburg Sept. 10 and a ruling will be issued as soon as possible after that time, the PUC said. Hearings have been completed.

PUC POSTPONES RATE INCREASE

HARRISBURG (AP)—The Public Utility Commission has suspended for an additional three months, until Nov. 15, an estimated 70 per cent rate increase asked by Northumberland Water Co.

An initial six month delay of the proposed hike ends Aug. 15 but the PUC said it could not issue an order by that time.

SEAMAN SLAPS QUEEN'S CRITIC 'FOR THE PRINCE'

By HAL COOPER
LONDON (AP) — A slap heard round the British Empire added fresh fuel today to the fuss over the peer who criticized the Queen.

On the receiving end of the blow was 33-year-old Lord Altrincham, the blue-blooded magazine editor who sent eyebrows and tempers soaring last week with an article panning the public speaking, interests and advisers of Queen Elizabeth II.

On the delivery end was 64-year-old Philip Kinghorn Burbridge, a small but doughty retired merchant seaman.

Police who rushed up after the one-blow incident outside a broadcasting studio last night ordered the ex-sailor to tell it to the judge in Bow Street Criminal Court today. Burbridge was charged with insulting behavior.

Critic "Sorry"
Freed on bail, he told reporters: "I did what Prince Philip wanted to do but couldn't."

Just before getting slapped, Altrincham had made a TV appearance in which he defended his criticism of the Queen.

He told the viewers he was "very sorry indeed if I hurt the feelings of the royal family" and said he was really shooting at the courtiers who advise the Queen and write her speeches.

"You have no choice but to criticize the boss," Altrincham explained. "Only the boss can get rid of bad servants. She hires

Has 18 Children, Births 7th Twins

PIKE RIDGE, S.D. (AP) — Mrs. Marcella Big Crow, 43, gave birth yesterday to the seventh set of twins born to her since 1943. Latest arrivals are a 6-pound, 12-ounce girl and 7-pound, 7-ounce boy, born nine minutes apart at the Indian Hospital. The father, James Big Crow, is a farm hand.

Mrs. Big Crow has had 18 children, including four single births. Three of the children died, including two born singly and one set of twins.

FINED \$20

BINGHAMTON, N.Y. (AP) — Sandra Frederick, 19, an office employee of the Easy Method Driving School, was fined \$20 for driving without a license.

them and she alone can fire them. It's her responsibility."

Toasts Queen

Having said his piece, Altrincham left the studio. As he stepped into Kingsway Avenue, Burbridge dashed up and let fly, shouting, "This is for insulting the Queen!" A crowd of bystanders looked on.

"He gave me a clout," Altrincham said later. "I said, 'That's a silly way to behave.' There was no strength behind the blow."

Giving his side of the brief encounter as he downed a pint in a neighborhood pub, Burbridge said: "I am sure Prince Philip would have done the same if he had been able. Here's to the Queen and good luck in court, but I'm ready to go to jail if I must."

Heavyweight boxer Julio Mederos is the youngest of six brothers and four sisters.

Americans Offered Slice Of Killarney

DUBLIN, Ireland (AP) — Sixty wealthy Americans showed up in Dublin yesterday and soon were being asked: "Do you want to buy a slice of Killarney?"

They flew into Dublin from New York at the invitation of J. Stuart Robertson, the Florida real estate man who last year bought the 8,500-acre Irish beauty spot for a

WANTS RADAR FUNDS RESTORED

By JOHN KOENIG JR.
Ap Special Washington Service
WASHINGTON (AP)—Aides of Rep. Haskell (R-Del.) said today that a long-range radar unit planned for Selinsgrove, Pa., but knocked out of the Civil Aeronautics Administration budget by Congress, was to have been located at the Penn Valley Airport.

Haskell in a House speech last week urged Congress to restore the funds in order to help ward off what he termed growing air traffic hazards.

Of the 21 long-range radar units requested in the budget, 10 others in addition to the Selinsgrove unit were knocked out.

150-Mile Radius
Haskell said the units were designed to provide radar or visual contact with en route traffic flying under instrument flight rules within a 150-mile radius of the installation.

Meanwhile, the office of Rep. Simpson (R-Pa.) said that the cancellation of the radar unit installation at Selinsgrove had nothing to do with the proposed relocation by the CAA of the air traffic communications station at Selinsgrove reported to be \$280,000.

Robertson hopes to interest some of his visitors in buying slices of Killarney. J. Russell Jones of Westtown, Pa., said he would have to take a look at Killarney before deciding whether to buy. That was the view of the other Americans.

They plan to spend two weeks in Ireland, visiting leading Irish stud farms and attending the yearling sales of the Royal Dublin Society.

CRUSADE PASSES 12-WEEK MARK

NEW YORK (AP) — Evangelist Billy Graham wound up the first 12 weeks of his New York crusade last night.

He told his Madison Square Garden audience: "God has given to New York City 12 weeks of the greatest opportunity ever in the history of the Christian church."

"God is going to hold responsible every Christian in this city," he said, "and at the judgment those who are faithful will be rewarded."

Last night's attendance was 18,000. That brought the total for the crusade meetings in the Garden to 1,415,000.

At Graham's call, 626 persons went forward to make "decisions for Christ." "Decisions" for the 12-week period total 43,010.

The evangelist also discussed plans for a youth week at the Garden starting next Sunday. He said he believed the youth week could "become a great effort in countering teen-age violence."

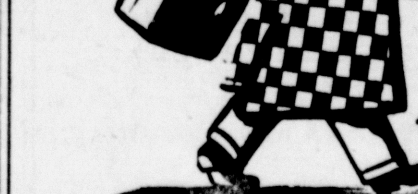

The Crusade continues to Sept. 1.
